FOIA Council,

I the former Chair of the Falls Church City Public School Board, and I benefit from a government that reflects my community and includes a diversity of voices and experiences, including those who have children, aging parents, or jobs that require travel. The inclusion of such members leads to better public policy for all.

I ask you to vote this year to remove the state limit on individual electronic participation by members of a public body. The law is outdated and needs to change.

Please also study in 2021 the possibility of electronic meetings outside of an emergency, as this can also increase access to public participation.

Thank you for your consideration.
