2016 FOIA LEGISLATIVE UPDATE

NOTE: Unless otherwise stated, the changes in the law described herein will take effect July 1, 2016.

I. Introduction

The General Assembly passed a total of 16 bills amending the Virginia Freedom of Information Act (FOIA) during the 2016 Session. Note that while the Virginia Freedom of Information Advisory Council (the Council) heard several proposals in 2015 as part of its annual Legislative Preview, the Council did not vote to recommend any specific legislation this year. The Council in 2015 completed the second year of the three-year study of FOIA directed by House Joint Resolution No. 96 (2014). As part of that study the Council has stated that it will recommend omnibus legislation to the 2017 Session of the General Assembly incorporating all of its recommend changes, rather than recommending individual pieces of legislation each year.

Three bills create two new sections in FOIA and amend existing provisions as follows:

- Reverses the holding of the Virginia Supreme Court in the case of *Department of Corrections v. Surovell*, by setting out the general rule of redaction, which provides that no provision of FOIA is intended, nor shall it be construed or applied, to authorize a public body to withhold a public record in its entirety on the grounds that some portion of the public record is excluded from disclosure by FOIA or by any other provision of law. Further, the bill states that a public record may be withheld from disclosure in its entirety only to the extent that an exclusion from disclosure under FOIA or other provision of law applies to the entire content of the public record. Otherwise, only those portions of the public record containing information subject to an exclusion under FOIA or other provision of law may be withheld, and all portions of the public record that are not so excluded shall be disclosed. The bill defines the term "information" and provides that it is declaratory of the law as it existed prior to the September 17, 2015, decision of the Supreme Court of Virginia in the case of the *Department of Corrections v. Surovell*. The bill also reverses that part of the holding of the Virginia Supreme Court in the case of *Department of Corrections v. Surovell* by providing that in a

FOIA enforcement action, no court shall be required to accord any weight to the determination of a public body as to whether an exclusion applies. The bill contains technical amendments. HB 817 and SB 494, adding new § 2.2-3704.01 and amending §§ 2.2-3701, 2.2-3704, 2.2-3705.1 through 2.2-3705.7, 2.2-3711, and 2.2-3713;

- Requires certain local public bodies to post a FOIA rights and responsibilities document on their respective public government website. The bill also requires all state public bodies and all local public bodies that are subject to FOIA to designate and publicly identify one or more FOIA officers whose responsibility is to serve as a point of contact for members of the public in requesting public records and to coordinate the public body's compliance with the provisions of FOIA. The bill sets out where contact information for the designated FOIA officer is to be posted. The bill requires that any such FOIA officer shall possess specific knowledge of the provisions of FOIA and be trained at least annually by legal counsel for the public body or the Virginia Freedom of Information Advisory Council. HB 818 adding new § 2.2-3704.2 and amending § 2.2-3704.1.

Three bills add three new records exemptions in FOIA as follows:

- Excludes from the Virginia Freedom of Information Act any records received by the Department of Criminal Justice Services pursuant to the operation of or for the purposes of evaluating threat assessment teams and oversight committees, school safety audits, and school crisis, emergency management, and medical emergency response plans of public schools and threat assessment teams of public institutions of higher education, to the extent that such records reveal security plans, walk-through checklists, or vulnerability and threat assessment components. The bill allows criminal record, juvenile record, and health record information to be disseminated to members of a threat assessment team established by a local school board. Current law allows only threat assessment teams established by an institution of higher education to access such information. The bill provides that no member of a threat assessment team shall redisclose any such information or use the information beyond the purpose for which the disclosure was made. HB 1013 adding a new exemption in § 2.2-3705.2 and amending existing provisions of § 2.2-3705.4;
- Excludes records reflecting the substance of meetings in which individual sexual assault cases are discussed by a sexual assault response team from mandatory disclosure under the Virginia Freedom of Information Act. The findings of a sexual assault response team may be disclosed or published in statistical or other aggregated form that does not disclose the identity of specific individuals. HB 1016 adding a new exemption in § 2.2-3705.7;
- Establishes the Virginia Research Investment Committee (the Committee) to administer grants and loans from the Virginia Research Investment Fund (the Fund), created by this bill, to promote research, development, and

commercialization in the Commonwealth. The bill provides that the State Council of Higher Education for Virginia (SCHEV) will establish guidelines related to administration and award of grants from the Fund, in consultation with the Committee. Upon receipt of completed grant applications, SCHEV will forward them to an entity with recognized science and technology expertise to review and rank the applications. Applications will then be forwarded to the Committee to make a final decision about the award of grants and funds. The bill contains corresponding exemptions for certain grant or loan application records and for the discussion or consideration of such records in closed meetings. HB 1343 adding new exemptions in §§ 2.2-3705.6 and 2.2-3711.

Three bills add two new meetings exemptions in FOIA as follows:

- Establishes the Virginia Growth and Opportunity Board to administer grants from the Virginia Growth and Opportunity Fund for regional economic and workforce development projects. The bill provides that regional councils will be established across the Commonwealth, consisting of representatives of government and the business and education communities, and councils may submit applications for collaborative projects in their regions that enhance private-sector growth, competitiveness, and workforce development. The bill creates a corresponding meeting exemption for the discussion or development of such grant proposals by a regional council. HB 834 and SB 449 amending 2.2-3711;
- Establishes the Virginia Research Investment Committee (the Committee) to administer grants and loans from the Virginia Research Investment Fund (the Fund), created by this bill, to promote research, development, and commercialization in the Commonwealth. The bill provides that the State Council of Higher Education for Virginia (SCHEV) will establish guidelines related to administration and award of grants from the Fund, in consultation with the Committee. Upon receipt of completed grant applications, SCHEV will forward them to an entity with recognized science and technology expertise to review and rank the applications. Applications will then be forwarded to the Committee to make a final decision about the award of grants and funds. The bill contains corresponding exemptions for certain grant or loan application records and for the discussion or consideration of such records in closed meetings. HB 1343 adding new exemptions in §§ 2.2-3705.6 and 2.2-3711.

Eight bills amend existing provisions of FOIA as follows:

- Provides that the personnel, working papers, and correspondence record exemption shall not be construed to authorize the withholding of any resumes or applications submitted by persons who are appointed by the Governor. The bill further provides that the resumes and applications for appointment submitted by persons who are appointed by the Governor shall be available to the public upon request. The bill provides that its provisions apply to persons appointed by the

Governor on or after July 1, 2016. The bill contains technical amendments. HB 220 amending §§ 2.2-3705.1 and 2.2-3705.7;

- Makes various changes to the Board of Directors (the Board) of the BVU Authority (the Authority) and alters the methods of their appointment and their powers and duties. The bill also amends the powers and duties of the Authority. Among other changes, the bill eliminates several Authority-related records and open meeting exemptions from the Freedom of Information Act. The bill also contains an emergency clause. HB 1255 and SB 329 amending §§ 2.2-3705.6 and 2.2-3711. [NOTE: Due to the emergency clause, both bills were enacted effective April 8, 2016.]
- Clarifies that the FOIA exclusion for noncriminal incidents and reports applies to any public body that engages in criminal law-enforcement activities and does not rely on the definition of "noncriminal incidents records" in § 15.2-1722 of the Code of Virginia. The bill addresses a decision of the Virginia Supreme Court in *Fitzgerald v. Loudoun County Sheriff's Office*, which held that a noncriminal record must be a compilation in order for the exemption for noncriminal records to apply. The bill was also the subject of a Virginia Freedom of Information Advisory Council opinion (AO-08-15) concerning this exemption, which highlighted the need for clarification of this exemption based on the Fitzgerald holding. HB 1318 amending § 2.2-3706;
- Clarifies that nothing in the personnel exemption in the open meetings law of FOIA shall be construed to authorize a closed meeting by a local governing body or an elected school board to discuss compensation matters that affect the membership of such body or board collectively. SB 493 amending § 2.2-3711;
- Amends an existing exemption to exclude from mandatory disclosure records of an application for licensure or renewal of a license for teachers and other school personnel, including transcripts or other documents submitted in support of an application. SB 564 amending § 2.2-3705.3;
- Defines the term "critical infrastructure information" for purposes of FOIA. The bill also provides that any public body receiving a request for such records shall notify the Secretary of Public Safety and Homeland Security or his designee of the request and the response made by the public body. The bill contains an emergency clause. SB 645 amending § 2.2-3705.2. [NOTE: Due to the emergency clause, this bill was enacted effective April 6, 2016.];
- Clarifies public access to noncriminal records maintained by public bodies engaged in criminal law-enforcement activities. The bill reverses an April 2015 Virginia Supreme Court decision in *Fitzgerald v. Loudoun County Sheriff's Office*, which held that a noncriminal record must be a compilation in order for the exemption for noncriminal records to apply. The bill was also the subject of a Virginia Freedom of Information Advisory Council opinion (AO-08-15)

concerning this exemption, which highlighted the need for clarification of this exemption based on the *Fitzgerald* holding. SB 727 amending § 2.2-3706.

Section II of this update presents a brief overview of amendments to FOIA section by section in order to provide context and organization to the numerous bills. Section III presents a brief overview of other access-related legislation passed during the 2016 Session of the General Assembly.

For more specific information on the particulars of each bill, please see the bill itself. Unless otherwise indicated, the changes will become effective July 1, 2016.

Of the moneys appropriated to the Fund, the General Assembly may specifically designate a portion of the moneys to be invested by the Board of the Virginia Retirement System. Makes numerous technical or organizational changes to Chapter 20.1 (§ 2.2-2005 et seq.) of Title 2.2 related to the establishment and operation of the Virginia Information Technologies Agency (VITA). The bill does not make substantive changes to VITA's powers and duties. The bill was developed by a staff workgroup led by the Division of Legislative Services pursuant to § 1-6 of the 2015 Appropriation Act to address concerns identified in the Joint Legislative Audit and Review Commission's 2014 Report on Virginia's Information Technology Governance Structure. HB 1064 (2016 Acts of Assembly, c. 296). [NOTE: The bill includes several FOIA-related provisions.]

Requires the disclosure forms filed by lobbyists and persons subject to the conflict of interests acts to be filed annually. Lobbyists are required to file by July 1 for the preceding 12-month period complete through the last day of April, and persons subject to the conflict of interests acts are required to file on or before January 15. The bill also requires the Governor, Lieutenant Governor, and Attorney General, members of the Governor's Cabinet, and members of the General Assembly to file on or before May 1 a separate report of gifts received during the period beginning January 1 through adjournment sine die of the regular session of the General Assembly. Effective January 1, 2017, the bill removes from the Code the disclosure forms filed by lobbyists and persons subject to the conflict of interests acts and requires the Virginia Conflict of Interest and Ethics Advisory Council (Council) to prescribe the forms to be used to comply with disclosure requirements.

The bill also makes numerous other changes related to lobbyist reporting and the conflict of interests acts, including (i) exempting from the definition of a gift any gift with a value

of less than \$20; (ii) providing that the filing of a single disclosure form by a person subject to the conflict of interests acts satisfies the filing requirement for all positions or offices held or sought by such person; (iii) clarifying that lobbying disclosure forms are filed with the Council and are open to public inspection and copying in the office of the Council, and not the Secretary of the Commonwealth; (iv) clarifying that candidates for statewide office, the General Assembly, and constitutional office are required to file a statement of economic interests with the Council; (v) authorizing travel provided to facilitate attendance by a legislator at certain meetings where attendance is approved by the Chairman of the House or Senate Committee on Rules in addition to approval by either committee; (vi) clarifying that gifts to certain members of a lobbyist's family are not considered gifts; (vii) providing that the definition of procurement transaction for purposes of the laws governing lobbyists is limited to those transactions in which the stated or expected value of the contract is \$5 million or more; (viii) providing that records relating to formal advisory opinions or informal advice of the Council shall be confidential and excluded from the mandatory disclosure provisions of the Virginia Freedom of Information Act; (ix) providing that a lobbyist's principal is not required to disclose the name of a legislative or executive official, or a member of his immediate family, who attends a reportable entertainment event if that legislative or executive official reimburses the principal for, or otherwise pays for, his attendance or the attendance of a member of his immediate family at the entertainment event; and (x) authorizes the Council to grant an extension from a filing deadline for good cause. The bill contains an emergency clause that applies to the changes described in clauses (vii) through (x).

Finally, the bill requires that the Supreme Court of Virginia report to the Council by October 1, 2016, on the application of the conflict of interests acts on members of the judiciary and evaluate the feasibility of creating separate provisions that would apply to such member. HB 1362 (2016 Acts of Assembly, c. 773) and SB 692 (2016 Acts of Assembly, c. 774).

Title 8.01 Civil remedies and procedure.

Immunity of persons at public hearing; attorney fees and costs. Allows the award of reasonable attorney fees and costs to any person who has a suit against him dismissed pursuant to immunity provided to him when appearing at a public hearing before the governing body of a locality or other local governmental entity. HB 1117 (2016 Acts of Assembly, c. 239).

Title 12.1 State Corporation Commission

Regulation of water and sewer utilities. Makes water and sewer companies subject to the rules of the State Corporation Commission (SCC) regarding meetings and communications between SCC commissioners and any party, or between commissioners and staff, concerning any fact or issue arising out of a proceeding involving the regulation of rates, charges, services, or facilities of a utility. The bill requires a public utility to send notice of a proposed rate increase electronically to customers who receive

bills electronically. Every public utility providing water or sewer service is required to publish notice of changes in rates, tolls, charges, rules, and regulations at least once in one or more newspapers in circulation in its franchise area. The measure bars the SCC from dispensing with notice requirements applicable to water and sewer companies. HB 611 (2016 Acts of Assembly, c. 283) and SB 85 (2016 Acts of Assembly, c. 191).

The bill sets limits on the number of permits that the Board may issue and requires that the Board adopt regulations establishing health, safety, and security requirements for permitted processors. The bill provides that only a licensed practitioner of medicine or osteopathy who is a neurologist or who specializes in the treatment of epilepsy may issue a written certification to a patient for the use of cannabidiol oil or THC-A oil. The bill also requires that a practitioner who issues a written certification for cannabidiol oil or THC-A oil, the patient issued such certification, and, if the patient is a minor or incapacitated, the patient's parent or legal guardian register with the Board. The bill requires further that a pharmaceutical processor

shall not provide cannabidiol oil or THC-A oil to a patient or a patient's parent or legal guardian without first verifying that the patient, the patient's parent or legal guardian if the patient is a minor or incapacitated, and the practitioner who issued the written certification have registered with the Board. Finally, the bill provides an affirmative defense for agents and employees of pharmaceutical processors in a prosecution for the manufacture, possession, or distribution of marijuana. An enactment clause provides that except for provisions requiring the Board to promulgate regulations, the provisions of the bill do not become effective unless reenacted by the 2017 Session of the General Assembly.
