

*Public Records Subcommittee
of the
Virginia Freedom of Information
Advisory Council*

**Friday, November 6, 2009
1:00 p.m.
Speaker's Conference Room
Sixth Floor
General Assembly Building**

SUGGESTED AGENDA

1. Call to Order and introduction of members.
2. Prince William County Schools (PWCS) visitor identification system.
You will recall that PWCS representatives originally presented a proposal to the FOIA Council at its meeting on September 21, 2009 that would exempt records of its visitor identification system. In brief, the system scans visitors' identification cards and runs background checks against multistate criminal and sex offender registries. The Council raised concerns about possible overcollection of data, the need to retain the data collected, and other issues.
3. Discussion.
4. Other Business.
5. Public Comment.
6. Set future meeting dates for the Public Records Subcommittee.
7. Adjournment.
