**(Effective July 1, 2021)**

**§ 2.2-3700. Short title; policy.**

A. This chapter may be cited as "The Virginia Freedom of Information Act."

B. By enacting this chapter, the General Assembly ensures the people of the Commonwealth ready access to public records in the custody of a public body or its officers and employees, and free entry to meetings of public bodies wherein the business of the people is being conducted. The affairs of government are not intended to be conducted in an atmosphere of secrecy since at all times the public is to be the beneficiary of any action taken at any level of government. Unless a public body or its officers or employees specifically elect to exercise an exemption provided by this chapter or any other statute, every meeting shall be open to the public and all public records shall be available for inspection and copying upon request. All public records and meetings shall be presumed open, unless an exemption is properly invoked.

The provisions of this chapter shall be liberally construed to promote an increased awareness by all persons of governmental activities and afford every opportunity to citizens to witness the operations of government. Any exemption from public access to records or meetings shall be narrowly construed and no record shall be withheld or meeting closed to the public unless specifically made exempt pursuant to this chapter or other specific provision of law. This chapter shall not be construed to discourage the free discussion by government officials or employees of public matters with the citizens of the Commonwealth.

All public bodies and their officers and employees shall make reasonable efforts to reach an agreement with a requester concerning the production of the records requested.

Any ordinance adopted by a local governing body that conflicts with the provisions of this chapter shall be void.

**§ 2.2-3701. Definitions.**

As used in this chapter, unless the context requires a different meaning:

"Closed meeting" means a meeting from which the public is excluded.

"Electronic communication" means the use of technology having electrical, digital, magnetic, wireless, optical, electromagnetic, or similar capabilities to transmit or receive information.

"Emergency" means an unforeseen circumstance rendering the notice required by this chapter impossible or impracticable and which circumstance requires immediate action.

**Chapter 37 of Title 2.2 of the Code of Virginia**  
**The Virginia Freedom of Information Act**  
**(Effective July 1, 2021)**

"Information" as used in the exclusions established by §§ 2.2-3705.1 through 2.2-3705.7, means the content within a public record that references a specifically identified subject matter, and shall not be interpreted to require the production of information that is not embodied in a public record.

"Meeting" or "meetings" means the meetings including work sessions, when sitting physically, or through electronic communication means pursuant to § 2.2-3708.2, as a body or entity, or as an informal assemblage of (i) as many as three members or (ii) a quorum, if less than three, of the constituent membership, wherever held, with or without minutes being taken, whether or not votes are cast, of any public body. Neither the gathering of employees of a public body nor the gathering or attendance of two or more members of a public body (a) at any place or function where no part of the purpose of such gathering or attendance is the discussion or transaction of any public business, and such gathering or attendance was not called or prearranged with any purpose of discussing or transacting any business of the public body, or (b) at a public forum, candidate appearance, or debate, the purpose of which is to inform the electorate and not to transact public business or to hold discussions relating to the transaction of public business, even though the performance of the members individually or collectively in the conduct of public business may be a topic of discussion or debate at such public meeting, shall be deemed a "meeting" subject to the provisions of this chapter.

"Open meeting" or "public meeting" means a meeting at which the public may be present.

"Public body" means any legislative body, authority, board, bureau, commission, district or agency of the Commonwealth or of any political subdivision of the Commonwealth, including cities, towns and counties, municipal councils, governing bodies of counties, school boards and planning commissions; governing boards of public institutions of higher education; and other organizations, corporations or agencies in the Commonwealth supported wholly or principally by public funds. It shall include (i) the Virginia Birth-Related Neurological Injury Compensation Program and its board of directors established pursuant to Chapter 50 (§ 38.2-5000 et seq.) of Title 38.2 and (ii) any committee, subcommittee, or other entity however designated, of the public body created to perform delegated functions of the public body or to advise the public body. It shall not exclude any such committee, subcommittee or entity because it has private sector or citizen members. Corporations organized by the Virginia Retirement System are "public bodies" for purposes of this chapter.

For the purposes of the provisions of this chapter applicable to access to public records, constitutional officers and private police departments as defined in § 9.1-101 shall be considered public bodies and, except as otherwise expressly provided by law, shall have the same obligations to disclose public records as other custodians of public records.

**Chapter 37 of Title 2.2 of the Code of Virginia**  
**The Virginia Freedom of Information Act**  
**(Effective July 1, 2021)**

"Public records" means all writings and recordings that consist of letters, words or numbers, or their equivalent, set down by handwriting, typewriting, printing, photostating, photography, magnetic impulse, optical or magneto-optical form, mechanical or electronic recording or other form of data compilation, however stored, and regardless of physical form or characteristics, prepared or owned by, or in the possession of a public body or its officers, employees or agents in the transaction of public business.

"Regional public body" means a unit of government organized as provided by law within defined boundaries, as determined by the General Assembly, which unit includes two or more localities.

"Scholastic records" means those records containing information directly related to a student or an applicant for admission and maintained by a public body that is an educational agency or institution or by a person acting for such agency or institution.

"Trade secret" means the same as that term is defined in the Uniform Trade Secrets Act (§ 59.1-336 et seq.).

**§ 2.2-3702. Notice of chapter.**

Any person elected, reelected, appointed or reappointed to any body not excepted from this chapter shall (i) be furnished by the public body's administrator or legal counsel with a copy of this chapter within two weeks following election, reelection, appointment or reappointment and (ii) read and become familiar with the provisions of this chapter.

**§ 2.2-3703. Public bodies and records to which chapter inapplicable; voter registration and election records; access by persons incarcerated in a state, local, or federal correctional facility.**

A. The provisions of this chapter shall not apply to:

1. The Virginia Parole Board, except that (i) information from the Virginia Parole Board providing the number of inmates considered by the Board for discretionary parole, the number of inmates granted or denied parole, and the number of parolees returned to the custody of the Department of Corrections solely as a result of a determination by the Board of a violation of parole shall be open to inspection and available for release, on a monthly basis, as provided by § 2.2-3704; (ii) all guidance documents, as defined in § 2.2-4101, shall be public records and subject to the provisions of this chapter; and (iii) all records concerning the finances of the Virginia Parole Board shall be public records and subject to the provisions of this chapter. The information required by clause (i) shall be furnished by offense, sex, race, age of the inmate, and the locality in which the conviction was obtained, upon the request of the party seeking the information. The information required by clause (ii) shall include all documents establishing the policy of the Board or any change in or clarification of such policy with respect to grant, denial,

**Chapter 37 of Title 2.2 of the Code of Virginia**  
**The Virginia Freedom of Information Act**  
**(Effective July 1, 2021)**

deferral, revocation, or supervision of parole or geriatric release or the process for consideration thereof, and shall be clearly and conspicuously posted on the Board's website. However, such information shall not include any portion of any document reflecting the application of any policy or policy change or clarification of such policy to an individual inmate;

2. Petit juries and grand juries;

3. Family assessment and planning teams established pursuant to § 2.2-5207;

4. Sexual assault response teams established pursuant to § 15.2-1627.4, except that records relating to (i) protocols and policies of the sexual assault response team and (ii) guidelines for the community's response established by the sexual assault response team shall be public records and subject to the provisions of this chapter;

5. Multidisciplinary child sexual abuse response teams established pursuant to § 15.2-1627.5;

6. The Virginia State Crime Commission; and

7. The records maintained by the clerks of the courts of record, as defined in § 1-212, for which clerks are custodians under § 17.1-242, and courts not of record, as defined in § 16.1-69.5, for which clerks are custodians under § 16.1-69.54, including those transferred for storage, maintenance, or archiving. Such records shall be requested in accordance with the provisions of §§ 16.1-69.54:1 and 17.1-208, as appropriate. However, other records maintained by the clerks of such courts shall be public records and subject to the provisions of this chapter.

B. Public access to voter registration and election records shall be governed by the provisions of Title 24.2 and this chapter. The provisions of Title 24.2 shall be controlling in the event of any conflict.

C. No provision of this chapter or Chapter 21 (§ 30-178 et seq.) of Title 30 shall be construed to afford any rights to any person (i) incarcerated in a state, local or federal correctional facility, whether or not such facility is (a) located in the Commonwealth or (b) operated pursuant to the Corrections Private Management Act (§ 53.1-261 et seq.) or (ii) civilly committed pursuant to the Sexually Violent Predators Act (§ 37.2-900 et seq.). However, this subsection shall not be construed to prevent such persons from exercising their constitutionally protected rights, including, but not limited to, their right to call for evidence in their favor in a criminal prosecution.

**§ 2.2-3703.1. Disclosure pursuant to court order or subpoena.**

Nothing contained in this chapter shall have any bearing upon disclosures required to be made pursuant to any court order or subpoena. No discretionary exemption from mandatory disclosure shall be

**Chapter 37 of Title 2.2 of the Code of Virginia**  
**The Virginia Freedom of Information Act**  
**(Effective July 1, 2021)**

construed to make records covered by such discretionary exemption privileged under the rules of discovery, unless disclosure is otherwise prohibited by law.

**§ 2.2-3704. Public records to be open to inspection; procedure for requesting records and responding to request; charges; transfer of records for storage, etc.**

A. Except as otherwise specifically provided by law, all public records shall be open to citizens of the Commonwealth, representatives of newspapers and magazines with circulation in the Commonwealth, and representatives of radio and television stations broadcasting in or into the Commonwealth during the regular office hours of the custodian of such records. Access to such records shall be provided by the custodian in accordance with this chapter by inspection or by providing copies of the requested records, at the option of the requester. The custodian may require the requester to provide his name and legal address. The custodian of such records shall take all necessary precautions for their preservation and safekeeping.

B. A request for public records shall identify the requested records with reasonable specificity. The request need not make reference to this chapter in order to invoke the provisions of this chapter or to impose the time limits for response by a public body. Any public body that is subject to this chapter and that is the custodian of the requested records shall promptly, but in all cases within five working days of receiving a request, provide the requested records to the requester or make one of the following responses in writing:

1. The requested records are being entirely withheld. Such response shall identify with reasonable particularity the volume and subject matter of withheld records, and cite, as to each category of withheld records, the specific Code section that authorizes the withholding of the records.
2. The requested records are being provided in part and are being withheld in part. Such response shall identify with reasonable particularity the subject matter of withheld portions, and cite, as to each category of withheld records, the specific Code section that authorizes the withholding of the records.
3. The requested records could not be found or do not exist. However, if the public body that received the request knows that another public body has the requested records, the response shall include contact information for the other public body.
4. It is not practically possible to provide the requested records or to determine whether they are available within the five-work-day period. Such response shall specify the conditions that make a response impossible. If the response is made within five working days, the public body shall have an additional seven work days or, in the case of a request for criminal investigative files pursuant to § 2.2-3706.1, 60 work days in which to provide one of the four preceding responses.

**Chapter 37 of Title 2.2 of the Code of Virginia**  
**The Virginia Freedom of Information Act**  
**(Effective July 1, 2021)**

C. Any public body may petition the appropriate court for additional time to respond to a request for records when the request is for an extraordinary volume of records or requires an extraordinarily lengthy search, and a response by the public body within the time required by this chapter will prevent the public body from meeting its operational responsibilities. Before proceeding with the petition, however, the public body shall make reasonable efforts to reach an agreement with the requester concerning the production of the records requested.

D. Subject to the provisions of subsection G, no public body shall be required to create a new record if the record does not already exist. However, a public body may abstract or summarize information under such terms and conditions as agreed between the requester and the public body.

E. Failure to respond to a request for records shall be deemed a denial of the request and shall constitute a violation of this chapter.

F. A public body may make reasonable charges not to exceed its actual cost incurred in accessing, duplicating, supplying, or searching for the requested records. No public body shall impose any extraneous, intermediary, or surplus fees or expenses to recoup the general costs associated with creating or maintaining records or transacting the general business of the public body. Any duplicating fee charged by a public body shall not exceed the actual cost of duplication. The public body may also make a reasonable charge for the cost incurred in supplying records produced from a geographic information system at the request of anyone other than the owner of the land that is the subject of the request. However, such charges shall not exceed the actual cost to the public body in supplying such records, except that the public body may charge, on a pro rata per acre basis, for the cost of creating topographical maps developed by the public body, for such maps or portions thereof, which encompass a contiguous area greater than 50 acres. All charges for the supplying of requested records shall be estimated in advance at the request of the citizen. The period within which the public body shall respond under this section shall be tolled for the amount of time that elapses between notice of the cost estimate and the response of the requester. If the public body receives no response from the requester within 30 days of sending the cost estimate, the request shall be deemed to be withdrawn.

G. Public records maintained by a public body in an electronic data processing system, computer database, or any other structured collection of data shall be made available to a requester at a reasonable cost, not to exceed the actual cost in accordance with subsection F. When electronic or other databases are combined or contain exempt and nonexempt records, the public body may provide access to the exempt records if not otherwise prohibited by law, but shall provide access to the nonexempt records as provided by this chapter.

**Chapter 37 of Title 2.2 of the Code of Virginia**  
**The Virginia Freedom of Information Act**  
**(Effective July 1, 2021)**

Public bodies shall produce nonexempt records maintained in an electronic database in any tangible medium identified by the requester, including, where the public body has the capability, the option of posting the records on a website or delivering the records through an electronic mail address provided by the requester, if that medium is used by the public body in the regular course of business. No public body shall be required to produce records from an electronic database in a format not regularly used by the public body. However, the public body shall make reasonable efforts to provide records in any format under such terms and conditions as agreed between the requester and public body, including the payment of reasonable costs. The excision of exempt fields of information from a database or the conversion of data from one available format to another shall not be deemed the creation, preparation, or compilation of a new public record.

H. In any case where a public body determines in advance that charges for producing the requested records are likely to exceed \$200, the public body may, before continuing to process the request, require the requester to pay a deposit not to exceed the amount of the advance determination. The deposit shall be credited toward the final cost of supplying the requested records. The period within which the public body shall respond under this section shall be tolled for the amount of time that elapses between notice of the advance determination and the response of the requester.

I. Before processing a request for records, a public body may require the requester to pay any amounts owed to the public body for previous requests for records that remain unpaid 30 days or more after billing.

J. In the event a public body has transferred possession of public records to any entity, including but not limited to any other public body, for storage, maintenance, or archiving, the public body initiating the transfer of such records shall remain the custodian of such records for purposes of responding to requests for public records made pursuant to this chapter and shall be responsible for retrieving and supplying such public records to the requester. In the event a public body has transferred public records for storage, maintenance, or archiving and such transferring public body is no longer in existence, any public body that is a successor to the transferring public body shall be deemed the custodian of such records. In the event no successor entity exists, the entity in possession of the public records shall be deemed the custodian of the records for purposes of compliance with this chapter, and shall retrieve and supply such records to the requester. Nothing in this subsection shall be construed to apply to records transferred to the Library of Virginia for permanent archiving pursuant to the duties imposed by the Virginia Public Records Act (§ 42.1-76 et seq.). In accordance with § 42.1-79, the Library of Virginia shall be the custodian of such permanently archived records and shall be responsible for responding to requests for such records made pursuant to this chapter.

**Chapter 37 of Title 2.2 of the Code of Virginia**  
**The Virginia Freedom of Information Act**  
**(Effective July 1, 2021)**

**§ 2.2-3704.01. Records containing both excluded and nonexcluded information; duty to redact.**

No provision of this chapter is intended, nor shall it be construed or applied, to authorize a public body to withhold a public record in its entirety on the grounds that some portion of the public record is excluded from disclosure by this chapter or by any other provision of law. A public record may be withheld from disclosure in its entirety only to the extent that an exclusion from disclosure under this chapter or other provision of law applies to the entire content of the public record. Otherwise, only those portions of the public record containing information subject to an exclusion under this chapter or other provision of law may be withheld, and all portions of the public record that are not so excluded shall be disclosed.

**§ 2.2-3704.1. Posting of notice of rights and responsibilities by state and local public bodies; assistance by the Freedom of Information Advisory Council.**

A. All state public bodies subject to the provisions of this chapter, any county or city, any town with a population of more than 250, and any school board shall make available the following information to the public upon request and shall post a link to such information on the homepage of their respective official public government websites:

1. A plain English explanation of the rights of a requester under this chapter, the procedures to obtain public records from the public body, and the responsibilities of the public body in complying with this chapter. For purposes of this section, "plain English" means written in nontechnical, readily understandable language using words of common everyday usage and avoiding legal terms and phrases or other terms and words of art whose usage or special meaning primarily is limited to a particular field or profession;
2. Contact information for the FOIA officer designated by the public body pursuant to § 2.2-3704.2 to (i) assist a requester in making a request for records or (ii) respond to requests for public records;
3. A general description, summary, list, or index of the types of public records maintained by such public body;
4. A general description, summary, list, or index of any exemptions in law that permit or require such public records to be withheld from release;
5. Any policy the public body has concerning the type of public records it routinely withholds from release as permitted by this chapter or other law; and
6. The following statement: "A public body may make reasonable charges not to exceed its actual cost incurred in accessing, duplicating, supplying, or searching for the requested records. No public body shall impose any extraneous, intermediary, or surplus fees or expenses to recoup the general costs

associated with creating or maintaining records or transacting the general business of the public body. Any duplicating fee charged by a public body shall not exceed the actual cost of duplication. All charges for the supplying of requested records shall be estimated in advance at the request of the citizen as set forth in subsection F of § 2.2-3704 of the Code of Virginia."

B. Any state public body subject to the provisions of this chapter and any county or city, and any town with a population of more than 250, shall post a link on its official public government website to the online public comment form on the Freedom of Information Advisory Council's website to enable any requester to comment on the quality of assistance provided to the requester by the public body.

C. The Freedom of Information Advisory Council, created pursuant to § 30-178, shall assist in the development and implementation of the provisions of subsection A, upon request.

**§ 2.2-3704.2. Public bodies to designate FOIA officer.**

A. All state public bodies, including state authorities, that are subject to the provisions of this chapter and all local public bodies and regional public bodies that are subject to the provisions of this chapter shall designate and publicly identify one or more Freedom of Information Act officers (FOIA officer) whose responsibility is to serve as a point of contact for members of the public in requesting public records and to coordinate the public body's compliance with the provisions of this chapter.

B. For such state public bodies, the name and contact information of the public body's FOIA officer to whom members of the public may direct requests for public records and who will oversee the public body's compliance with the provisions of this chapter shall be made available to the public upon request and be posted on the respective public body's official public government website at the time of designation and maintained thereafter on such website for the duration of the designation.

C. For such local public bodies and regional public bodies, the name and contact information of the public body's FOIA officer to whom members of the public may direct requests for public records and who will oversee the public body's compliance with the provisions of this chapter shall be made available in a way reasonably calculated to provide notice to the public, including posting at the public body's place of business, posting on its official public government website, or including such information in its publications.

D. For the purposes of this section, local public bodies shall include constitutional officers.

E. Any such FOIA officer shall possess specific knowledge of the provisions of this chapter and be trained at least once during each consecutive period of two calendar years commencing with the date on which he last completed a training session by legal counsel for the public body or the Virginia Freedom

**Chapter 37 of Title 2.2 of the Code of Virginia**

**(Effective July 1, 2021)**

of Information Advisory Council (the Council) or through an online course offered by the Council. Any such training shall document that the training required by this subsection has been fulfilled.

F. The name and contact information of a FOIA officer trained by legal counsel of a public body shall be (i) submitted to the Council by July 1 of the year a FOIA officer is initially trained on a form developed by the Council for that purpose and (ii) updated in a timely manner in the event of any changes to such information.

G. The Council shall maintain on its website a listing of all FOIA officers, including name, contact information, and the name of the public body such FOIA officers serve.

**§ 2.2-3704.3. Training for local officials.**

A. The Virginia Freedom of Information Advisory Council (the Council) or the local government attorney shall provide in-person or online training sessions for local elected officials and the executive directors and members of industrial development authorities and economic development authorities, as created by the Industrial Development and Revenue Bond Act (§ 15.2-4900 et seq.), on the provisions of this chapter.

B. Each local elected official and the executive director and members of each industrial development authority and economic development authority, as created by the Industrial Development and Revenue Bond Act, shall complete a training session described in subsection A within two months after assuming the local elected office and thereafter at least once during each consecutive period of two calendar years commencing with the date on which he last completed a training session, for as long as he holds such office. No penalty shall be imposed on a local elected official or an executive director or member of an industrial development authority or an economic development authority for failing to complete a training session.

C. The clerk of each governing body or school board shall maintain records indicating the names of elected officials and executive directors and members of industrial development authorities and economic development authorities subject to the training requirements in subsection B and the dates on which each such official completed training sessions satisfying such requirements. Such records shall be maintained for five years in the office of the clerk of the respective governing body or school board.

D. For purposes of this section, "local elected officials" shall include constitutional officers.

**§ 2.2-3705. Repealed.**

Repealed by Acts 2004, c. 690.

**Chapter 37 of Title 2.2 of the Code of Virginia**  
**The Virginia Freedom of Information Act**  
**(Effective July 1, 2021)**

**§ 2.2-3705.1. Exclusions to application of chapter; exclusions of general application to public bodies.**

The following information contained in a public record is excluded from the mandatory disclosure provisions of this chapter but may be disclosed by the custodian in his discretion, except where such disclosure is prohibited by law. Redaction of information excluded under this section from a public record shall be conducted in accordance with § 2.2-3704.01.

1. Personnel information concerning identifiable individuals, except that access shall not be denied to the person who is the subject thereof. Any person who is the subject of such information and who is 18 years of age or older may waive, in writing, the protections afforded by this subdivision. If the protections are so waived, such information shall be disclosed. Nothing in this subdivision shall be construed to authorize the withholding of any resumes or applications submitted by persons who are appointed by the Governor pursuant to § 2.2-106 or 2.2-107.

No provision of this chapter or any provision of Chapter 38 (§ 2.2-3800 et seq.) shall be construed as denying public access to (i) contracts between a public body and its officers or employees, other than contracts settling public employee employment disputes held confidential as personnel records under § 2.2-3705.1; (ii) records of the name, position, job classification, official salary, or rate of pay of, and records of the allowances or reimbursements for expenses paid to, any officer, official, or employee of a public body; or (iii) the compensation or benefits paid by any corporation organized by the Virginia Retirement System or its officers or employees. The provisions of this subdivision, however, shall not require public access to records of the official salaries or rates of pay of public employees whose annual rate of pay is \$10,000 or less.

2. Written advice of legal counsel to state, regional or local public bodies or the officers or employees of such public bodies, and any other information protected by the attorney-client privilege.

3. Legal memoranda and other work product compiled specifically for use in litigation or for use in an active administrative investigation concerning a matter that is properly the subject of a closed meeting under § 2.2-3711.

4. Any test or examination used, administered or prepared by any public body for purposes of evaluation of (i) any student or any student's performance, (ii) any employee or employment seeker's qualifications or aptitude for employment, retention, or promotion, or (iii) qualifications for any license or certificate issued by a public body.

As used in this subdivision, "test or examination" shall include (a) any scoring key for any such test or examination and (b) any other document that would jeopardize the security of the test or examination.

**Chapter 37 of Title 2.2 of the Code of Virginia**  
**The Virginia Freedom of Information Act**  
**(Effective July 1, 2021)**

Nothing contained in this subdivision shall prohibit the release of test scores or results as provided by law, or limit access to individual records as provided by law. However, the subject of such employment tests shall be entitled to review and inspect all records relative to his performance on such employment tests.

When, in the reasonable opinion of such public body, any such test or examination no longer has any potential for future use, and the security of future tests or examinations will not be jeopardized, the test or examination shall be made available to the public. However, minimum competency tests administered to public school children shall be made available to the public contemporaneously with statewide release of the scores of those taking such tests, but in no event shall such tests be made available to the public later than six months after the administration of such tests.

D. Nothing in this section shall prohibit the disclosure of current anonymized, aggregate location and demographic data collected pursuant to § 52-30.2 or similar data documenting law-enforcement officer encounters with members of the public.

a. Such member is unable to attend the meeting due to (i) a temporary or permanent disability or other medical condition that prevents the member's physical attendance or (ii) a family member's medical condition that requires the member to provide care for such family member, thereby preventing the member's physical attendance; or

2. If participation by a member through electronic communication means is approved pursuant to this subsection, the public body holding the meeting shall record in its minutes the remote location from which the member participated; however, the remote location need not be open to the public.

If a member's participation from a remote location is disapproved because such participation would violate the policy adopted pursuant to subsection C, such disapproval shall be recorded in the minutes with specificity.

Any member of the public body who believes that there was a departure from the requirements of clauses (i) and (ii), shall so state prior to the vote, indicating the substance of the departure that, in his judgment, has taken place. The statement shall be recorded in the minutes of the public body.

E. Failure of the certification required by subsection D to receive the affirmative vote of a majority of the members of the public body present during a meeting shall not affect the validity or confidentiality of such meeting with respect to matters considered therein in compliance with the provisions of this chapter. F. A public body may permit nonmembers to attend a closed meeting if such persons are deemed necessary or if their presence will reasonably aid the public body in its consideration of a topic that is a subject of the meeting.

G. **Chapter 37 of Title 2.2 of the Code of Virginia**  
**The Virginia Freedom of Information Act**  
**(Effective July 1, 2021)**

A. Any person, including the attorney for the Commonwealth acting in his official or individual capacity, denied the rights and privileges conferred by this chapter may proceed to enforce such rights and privileges by filing a petition for mandamus or injunction, supported by an affidavit showing good cause. Such petition may be brought in the name of the person notwithstanding that a request for public records was made by the person's attorney in his representative capacity. Venue for the petition shall be addressed as follows:

1. In a case involving a local public body, to the general district court or circuit court of the county or city from which the public body has been elected or appointed to serve and in which such rights and privileges were so denied;
2. In a case involving a regional public body, to the general district or circuit court of the county or city where the principal business office of such body is located; and
3. In a case involving a board, bureau, commission, authority, district, institution, or agency of the state government, including a public institution of higher education, or a standing or other committee of the General Assembly, to the general district court or the circuit court of the residence of the aggrieved party or of the City of Richmond.

B. In any action brought before a general district court, a corporate petitioner may appear through its officer, director or managing agent without the assistance of counsel, notwithstanding any provision of law or Rule of Supreme Court of Virginia to the contrary.

C. Notwithstanding the provisions of § 8.01-644, the petition for mandamus or injunction shall be heard within seven days of the date when the same is made, provided the party against whom the petition is brought has received a copy of the petition at least three working days prior to filing. However, if the petition or the affidavit supporting the petition for mandamus or injunction alleges violations of the open meetings requirements of this chapter, the three-day notice to the party against whom the petition is brought shall not be required. The hearing on any petition made outside of the regular terms of the circuit court of a locality that is included in a judicial circuit with another locality or localities shall be given precedence on the docket of such court over all cases that are not otherwise given precedence by law.

D. The petition shall allege with reasonable specificity the circumstances of the denial of the rights and privileges conferred by this chapter. A single instance of denial of the rights and privileges conferred by this chapter shall be sufficient to invoke the remedies granted herein. If the court finds the denial to be in violation of the provisions of this chapter, the petitioner shall be entitled to recover reasonable costs, including costs and reasonable fees for expert witnesses, and attorney fees from the public body if the

petitioner substantially prevails on the merits of the case, unless special circumstances would make an award unjust. In making this determination, a court may consider, among other things, the reliance of a public body on an opinion of the Attorney General or a decision of a court that substantially supports the public body's position.

E. In an action to enforce the provisions of this chapter, the public body shall bear the burden of proof to establish an exclusion by a preponderance of the evidence. No court shall be required to accord any weight to the determination of a public body as to whether an exclusion applies. Any failure by a public body to follow the procedures established by this chapter shall be presumed to be a violation of this chapter.

F. Failure by any person to request and receive notice of the time and place of meetings as provided in § 2.2-3707 shall not preclude any person from enforcing his rights and privileges conferred by this chapter.

**§ 2.2-3714. Violations and penalties.**

A. In a proceeding commenced against any officer, employee, or member of a public body under § 2.2-3713 for a violation of § 2.2-3704, 2.2-3705.1 through 2.2-3705.7, 2.2-3706, 2.2-3706.1, 2.2-3707, 2.2-3708.2, 2.2-3710, 2.2-3711 or 2.2-3712, the court, if it finds that a violation was willfully and knowingly made, shall impose upon such officer, employee, or member in his individual capacity, whether a writ of mandamus or injunctive relief is awarded or not, a civil penalty of not less than \$500 nor more than \$2,000, which amount shall be paid into the Literary Fund. For a second or subsequent violation, such civil penalty shall be not less than \$2,000 nor more than \$5,000.

B. In addition to any penalties imposed pursuant to subsection A, if the court finds that any officer, employee, or member of a public body failed to provide public records to a requester in accordance with the provisions of this chapter because such officer, employee, or member altered or destroyed the requested public records with the intent to avoid the provisions of this chapter with respect to such request prior to the expiration of the applicable record retention period set by the retention regulations promulgated pursuant to the Virginia Public Records Act (§ 42.1-76 et seq.) by the State Library Board, the court may impose upon such officer, employee, or member in his individual capacity, whether or not a writ of mandamus or injunctive relief is awarded, a civil penalty of up to \$100 per record altered or destroyed, which amount shall be paid into the Literary Fund.

C.
