Good afternoon. I am writing to suggest a change to Code of Virginia Section 2.2-3705.3(8).

Currently this particular code section only permits the exemption of “the names, addresses, and telephone numbers of complainants furnished in confidence with respect to an investigation of individual zoning enforcement complaints or complaints relating to the Uniform Statewide Building Code (§ [36-97](#) et seq.) or the Statewide Fire Prevention Code (§ [27-94](#) et seq.) made to a local governing body.” An increasing number of complaints come in to us by email; therefore, I would like to suggest that the code section be amended to also include complainant email addresses from mandatory disclosure.

Please let me know if you have any questions or would like to discuss the matter further.

Sincerely,
Robin
