Dear Members of the FOIA Council,

I am a resident of Virginia and am writing to express my support for HB2196 as approved by the Records Issues subcommittee.

Public access to police disciplinary records is critical to police accountability and building public trust.

It is essential that we--the public--have access to law enforcement disciplinary records, to ensure that the police are doing their jobs properly and effectively. We must have access to records of **both substantiated and unsubstantiated allegations**.

Thank you,
